Anne & Breeze

MACH Plail's Race the Wind OF
Breed: Shetland Sheepdog
Sex: Male **DOB: 2/24/04**
Owner/Handler: Anne Stocum

Breeze's favorite things in life include walks in the woods, chasing chipmunks, snuggling with Mom and of course, agility.

Anne Stocum lives in upstate New York and has a professional background in biology, ecology and environmental management. She is recently retired from 20+ year career in a major corporation, is married to a very patient man, and has two lovely grown kids. Breeze is six years old and among his many accomplishments is a two-time finalist in the AKC Agility Nationals, finishing 3rd in 2010.

Anne discovered dog agility over ten years ago and has grown to love the sport and its challenges because, in striving for excellence, it gives her much to "noodle over," and because it has brought her so many good friends. Her approach to dog training and handling has been highly influenced by Susan Garrett, Greg Derrett and Susan Salo, to name a few.

AKC/USA Agility World Team is sponsored by ilovedogs.com. Support Anne and the team by purchasing a [2010 AKC/USA Agility World Team Supporter Shirt](#).
