Icon

**Channan Fosty** was born in Brantford Ontario Canada into a wonderful family who, despite her asking Santa for one every Christmas, wouldn't allow her to have a dog. She moved to California in 2001 and added the first dog to her family within the year. She now shares her home with a Beauceron, a Boxer and two Border Collies. Channan currently works full time as a Project Manager at Genentech and is proud to play a supporting role in bringing innovative medications to patients in need.

Icon was born four years ago in Livermore, California. He was born an 'old soul' and was more mature at eight weeks old than his older boxer brother was at four years. Icon gives everything he has and always tries to do the right thing, which has allowed him to excel at the sport of agility.

Channan and Icon are excited to be representing the United States on the AKC/USA World Team for the second year in a row.
