

Daisy & Solar

Solar

**NAC Super Sun MX MXJ OF**  
**Breed: Border Collie**  
**Sex: Male DOB: 6/14/07**  
**Owner/Handler: Daisy Peel**

Solar's favorite things in life are laying in the couch, snuggling in bed, hiking in the woods, and doing agility!

**Daisy Peel** is 32 years old and Solar will be three in June 2010. Solar is still quite young, but with Daisy's experience, Solar has already won two National Championships (USDAA and AKC), as well as multiple AKC ISC events. You wouldn't guess Solar could be so fast when you see him around the house - he is a champion couch potato as well!

Daisy works in Sumner, Washington, at a large Veterinary Hospital and Training Facility called It's A Dog's World (<http://www.dogsworldtraining.com>). She is the training director, and in addition to teaching classes and private lessons each week, she oversees eight other instructors and directs the curriculum for Rally-O, Obedience, Nosework, and Pet Classes.

Previously a high school Chemistry teacher, Daisy left her job in 2007 to become a full time dog trainer and has never looked back. This is Daisy's second time on the AKC USA World Team; she travelled to Norway in 2007 with her National Agility Champion Border Collie, Jester.
